

# Show Your Support for the SANCTITY OF HUMAN LIFE

National Sanctity of Human Life month is January 2023

*Imagine* being a young single woman who is quietly panicking inside that she may be pregnant. You are trying to go through your day, hoping that no one sees the stress and worry on your face. Quietly asking God, just show me a sign...just tell me which way to go.

**And then...you see the SIGN!**

**January is National Sanctity of Human LIFE month.**

Can you make a public statement in support of LIFE?  
Will your church, business, or organization put out a sign or signs  
that point women to **“Seek Refuge”** for their unborn child?

If you are interested in joining with others around Rockdale County to stand up for  
LIFE during SOHL month, visit [RefugeConyers.org/SOHL](https://RefugeConyers.org/SOHL) for more details.
