Hebrews 4:16

The Refuge Center has been helping women heal from the deep wounds caused by abortion trauma for many years. Through the Lord’s grace and mercy dozens of people have found forgiveness and relief from the shame that comes from past abortions. We employ a Biblically based program to assist our clients in surrendering the secret that they have been burdened with for so long.

If you or anyone you know is carrying this weight, we would like to help you find the healing needed. Plans are underway for our next weekend retreat for those suffering with post-abortion trauma.

## At Refuge, Our Desire is to:

Provide for those who grieve, to bestow on them a crown of beauty instead of ashes, the oil of joy instead of mourning, and a garment of praise instead of a spirit of despair. *Isaiah 61:3*
